Certificate
DEC 05 2006
of Correction

Sir/Madam:

MEDRAD, Inc., assignee of U.S. Patent 6,994,841 ("841 patent") issued 7 February 2006, hereby requests that the changes noted on the attached Form-1050 be made to the referenced patent, and that an official *Certificate of Correction* be issued by the U.S. Patent and Trademark Office (USPTO) pursuant to 37 C.F.R. §1.323.

12/01/2006 TBESHAW2 00000024 132530 6994841

Pursuant to 37 C.F.R. §3.73, the assignee affirms that ~~at~~ FC1894 is the sole owner of the '841 patent by virtue of a chain assignments from the inventors to MEDRAD, Inc., the current assignee. As of today's date, all of the assignments in the chain have been recorded with the ASSIGNMENT DIVISION OF THE USPTO. A copy of the recordals

DEC - 6 2006

are attached hereto. Furthermore, as required by 37 C.F.R. §3.73(2)(i), the undersigned is authorized to act on behalf of the assignee.

The requested corrections are necessary to correct several mistakes, some made by the USPTO and others made by the Patentee. For example, the title is incorrect despite having been changed at the request of the Examiner during prosecution (see *Office Action* dated 12/23/2002 and *Preliminary Amendment* in response thereto dated 6/23/03). Given the number of mistakes made by Patentee, however, the undersigned on behalf of the assignee submits herewith the fee imposed by 35 U.S.C. 1.20(a) for correction of same.

The location of the mistakes and the corrections to be made therefore are shown in the attached Form-1050, in duplicate, with at least one copy being suitable for printing. The errors occurred at the time of filing of the application for patent, and were inadvertent and made without deceptive intent. The errors are all of a clerical, typographical and/or minor character, and their correction does not require reexamination or introduce any new matter into the patent.

Assignee hereby requests that the *Certificate of Correction* be issued in due course and that the original be sent to the undersigned counsel of record for Assigned and Patentee.

Accompanying this submission is the required fee of \$100, imposed by 37 C.F.R. §1.20(a), for correction of the mistakes.

Prompt issuance of the *Certificate of Correction* is respectfully requested. If the recipient of this correspondence has any questions regarding the matters addressed herein, the recipient is invited to call the undersigned at the telephone number listed below.

Respectfully submitted,

James R. Stevenson, Reg. No. 38,755
